### MAVEA MAXTRA water filter cartridge (Compatible with Bosch)

The MAXTRA water filter cartridge by MAVEA helps you ensure that your TASSIMO by Bosch machine will always have optimum water for preparing hot beverages. With its natural MicoporeFilter and powerful ProtectFilter the MAXTRA water filter cartridge by MAVEA supports the development of the natural taste and

The new Tassimo Hot Beverage System by Bosch is remarkable in its ability to offer an exceptional combination of quality, convenience, consistency, and versatility with a little help from today's smart technology. The latest brewer for the Tassimo system leaps ahead of anything we've seen. Simply beautiful, it's small footprint and chrome accents give this machine a sleek and unassuming presence in your kitchen or office. Comes with two water filters and has a large water reservoir, this brewer is impressive. *(Not Compatible with Pods & K Cups)*

- Tassimo offers you the widest variety of beverages at the touch of a button, including coffee, cappuccinos, lattes (made with real milk), teas, and hot chocolate.
- Patented bar code technology ensures a perfectly brewed, fresh cup every time.
- Exclusive flow-through water heater for fast brewing.
- Customizable drink size and strength.
- Advanced water filtration for superior taste.
